

Sponsorship Letter

Dear Potential Sponsor,

Competitive Youth Sports continues to be a great opportunity for kids to develop as student athletes and prepare them for, and achieve college-recruiting exposure. The cost of participation in competitive youth sports has often made it reserved for only those families that can endure the economic challenge of participation. These difficult economic times are making it challenging for many families throughout our communities to afford the cost of participation and thus, may never get this opportunity. One of our primary goals remains to make the youth sports experience available and affordable for all kids that would benefit from participating, by eliminating economic restraints. Last year the PA Elite Basketball organization was able to provide boys and girls with the opportunity to experience competitive youth sports that may otherwise not have had this chance.

PA Elite Inc. provides student-athletes located throughout Western Pa with athletic team competition while educating them with life-long skills. PA Elite Inc. supports underserved student-athletes as they participate in team and individual sports that they would have otherwise not had access to. Integrity, athletic growth and development, sportsmanship, teamwork, and fair play are priorities for PA Elite student-athletes. Student-athletes are expected to become leaders in their own communities as they work together with student-athletes from various socioeconomic backgrounds. PA Elite Inc. strives to create a positive experience that fosters improved confidence and self-esteem athletic activities for all.

Our High School teams compete at several college exposure events to allow the kids to gain exposure and potentially receive scholarship offers to help pay for their college education. This sparks a desire in these young boys/girls to work hard and dedicate time to a sport they love. We realize that this success is directly related to our sponsors.

To help make this economically feasible for aspiring student athletes, we are asking that you consider supporting this great cause. Any fiscal contribution that you can make will go 100% towards the kids in our program and would be greatly appreciated. PA Elite is a *501(c)(3) non-profit organization and all donations are fully tax-deductible as allowed by law.*

We thank you for your consideration to support in this great cause. Please make all donations payable to:
